EXPERIENCE

Taony Corporation - St. Louis, MO

2020–2024

Senior Graphic Designer

I started at Taony producing digital and print media for seven different brands, and ended up becoming heavily involved in updating style guides for two of them. I later worked in video production and motion graphics, where I produced a number of ad and sales videos. Eventually I was promoted to Senior Designer where I had a key role in the development of marketing campaigns for new product launches.

BOLT Construction & Roofing - St. Louis, MO

2019–2020

Marketing Manager

My duties at BOLT were a combination of graphic design and marketing responsibilities. I would manage email and print communications while also designing the look and messaging of the campaigns. Additionally I was in charge of running the website and social media platforms, as well as creating content for them.

Vision Grills - St. Louis, MO

2016–2019

Graphic Designer

During my time at Vision Grills I was integral to the launch of several products and created packaging, manuals, photography, videos, and web materials for those launches. I was in charge up making updates to the website, creating logos, and designed all of the spec sheets, brochures, and flyers as needed by the sales teams.
